What is your role and what do you enjoy most?

I am primarily responsible for new business growth, encouraging more office security, recycling & less office waste.

I enjoy working amicably with both ends of the supply chain, championing cheerful customer service, carefully managing our environmental Impacts & sourcing innovative effective equipment.

What does your company do and why is it successful?

Citrus guarantee secure shredding of Confidential information, protecting our client's business & reputation when we protect details of employees, client transactions, accounts, complaints, research & development, health & Safety etc.

We are successful because our brand is recognised as secure, responsive, knowledgeable & competitive. We choose to partner ethical balanced business throughout Suffolk, caring for local & global environment. In 2015 Citrus has been lucky enough to win 3 Awards for CSR & Sustainable Practice.

What's good about doing business in Suffolk?

The pleasure of working with sincere, loyal, industrious & good natured people who generally under promise & over service.

Do you see potential for growth in your sector?

Yes. Fraud statistics are alarming, with more business being named, shamed & paying higher Fines. Protecting business reputation is multi layered challenge & whilst documents are being printed or retained in archive stores there is a requirement for outsourced safe Certified destruction.

What would you advise a business thinking of setting up in Suffolk?

Come to remarkable Suffolk where the healthy climate, rich agricultural & sea fairing history has influenced a wealth of conscientious & confident inhabitants. It is a great county to Live & Work in.
